NADI MEDICAL TABLE AT VED MANDIR

Sunday, January 14th, 2018

5:00 pm to 7:00 pm

They will measure blood pressure and blood glucose for those who want it checked and provide preventative education about diabetes and hypertension. We prefer that participants who want their blood glucose checked to not have eaten for at least two hours prior to getting it checked to allow for more useful interpretation of the glucose value. All participants must sign a consent form.

Let's make our community healthy and happy!

Please come with family and friends
